

A DEPOSIT & 2 forms of identification are required when equipment is hired.

The deposit, less charges, is refunded at the end of the hire period.

Any refund is dependant on equipment being returned in good clean condition (cleaning is chargeable). Extra charges at the appropriate rate will be levied on equipment returned after the date and time specified on the contract.

INSURANCE Customers are responsible for the security of any equipment hired - and losses can be expensive. Protect yourself by ensuring you are insured. Make sure insurance cover is **new for old**.

ALL EQUIPMENT is hired on a supply only basis. Erection and dismantling of towers, ladders, etc., are the hirers' responsibility.

OUR HIRE FLEET is being continually updated. Should there be any items you require that are not shown on our Equipment List, please enquire, we are here to help.

WE ARE L.P.G. STOCKISTS
Butane and Propane

**EQUIPMENT & SMALL
ENGINE REPAIRS**

SALES ALSO INCLUDE:

- **BELLE MIXERS**
 - **ABRASIVE DISCS, SHEETS, BACKING PADS, etc.**

DELIVERY/COLLECTION EXTRA.

The one day rate applies to any 24 hour period between Monday and 12.00 p.m. Saturday.

The weekend rate will apply to all hires from Saturday, being returned Monday before 9 a.m.

All hires after 4 p.m. Friday through to Monday, return before 9 a.m., will be charged at the 2 day rate.

One week is any 7 day period. Extra days over one week charged at 1/5th the weekly rate.

Whilst every care and attention has been taken to describe the equipment, fleet and hire rates in detail, customers are advised to check with our experienced staff at the time of hire.

SAFETY EQUIPMENT AVAILABLE

EAR DEFENDERS

General purpose Ear Defenders and Ear Plugs to guard against high noise levels. Kitemarked to BS6344.

EYE PROTECTION

Only the best. Grade 1 Goggles to BS2092 and also lightweight Face Visors with adjustable headband to BS2092 Grade 1.

DUST/SPRAY MASKS

Fold flat Masks to EN149 FFP2S (washable). Also Organic Spray and Vapour Masks to EN149 FFP1S and Welding Face Masks to EN149 FFP3S.

PROTECTIVE GLOVES

A full range of Gloves to provide hand protection – Gauntlets, Hycron, Latex, Cotton Rigger and PVC Gloves.

SAFETY HELMETS

Protection from overhead obstacles and moving objects. Kitemarked to BS5240 Pt. 1.

DISPOSABLE OVERALLS

To help protect from accidental splashing and dirt. Made from semi-durable polypropylene.

POWER BREAKER RCD UNITS

Residual current operated devices used to protect the user from electric shock. We strongly recommend the use of one of these when using all electrical equipment.
